

FIXED INCOME SHARES (FISH)

2022 Income from U.S. Government Obligations

Dear PIMCO Shareholder:

This letter contains additional tax-related information for shareholders of the Fixed Income SHares (FISH) (the "Portfolios"). The following is a discussion of each of the tax-related information items set forth in the below table.

Interest from Federal Obligations

A portion of the ordinary dividends paid by each of the Portfolios may be attributable to investment income from U.S. Government securities. All or part of the interest on these securities may be exempt from state and/or local taxation. Please consult a tax professional as laws in various jurisdictions may differ.

The table reflects the percentage of ordinary dividends derived from U.S. Government securities.

Corporate Dividends Received Deduction

The percentage of dividends paid out of ordinary income which qualifies for the corporate dividends-received deduction is identified for the benefit of our corporate shareholders.
